

ARES ADMIN GO KIT

Each of us should have handy reference material at the home station and in a folder, binder, or some other handy form to grab along with our go bags of equipment when we are deployed to the field.

Possible items include:

Repeater Directory

ARES List of Frequencies

List of County Public Safety frequencies to monitor for updates

Call Out Tree/ Roster--names, calls, and phone numbers

City/County maps with good detail

Phonetic Alphabet(s).

Memory channel list for Your radios

Deployment phone numbers like the EOC, County dispatch non-911 numbers etc.

Equipment manuals (how to program them)

ARES Operating Procedures Sheet

Pens, pencils, large & small paper pads

Clip board

ARES Forms, multiple copies- Message Forms, Operations Logs

Flashlight
