

HAM RADIO “ON THE AIR” PROGRAMS

TO: Club members and area Hams with HF privileges,

Have you ever considered “chasing paper”? That is searching for and working contacts towards applying for awards.

There are a number of “on the air” programs that offer opportunities for fun contacts and applying for awards if you like.

Is there interest in having a meeting presentation on these “on the air” programs?

Here are some examples--

Most of these programs can be “chased” just for fun or they have detailed awards programs for those folks who like to “collect paper”.

Summits on the air (SOTA) <https://www.sota.org.uk/Online-Resources>

Parks on the air (POTA) <https://parksontheair.com/>

International Islands on the air (IOTA) <https://www.iota-world.org/>

US Islands on the air (USIOTA) <http://usislands.org/>

Light Houses on the air <http://arlhs.com/> and <https://illw.net/>

Navy memorial ships on the air for 2019 <https://www.qsl.net/w/wa2tvs//museum/>

NASA on the air <https://nasaontheair.wordpress.com/>

Are you aware of others? Share them with the group.
