

Special Supplemental DETARC Newsletter, November 16, 2018

Congratulations to our newly elected Club Officers for 2019.

Per our Bylaws, these folks are the Executive Committee that run the Club and Corporation.

They will take office January 1, 2019.

1. President-- Gary Antley KI5LR
2. Vice President—Steve Jackson KE5CJE
3. Secretary— Andy Spivey KE5JEK and Andy Delgado KE5EXX as alternate
4. Treasurer— Patricia Allen K5HER

Per our Bylaws:

As past president Roger K0YY will be a voting member of the 2019 Executive Committee.

As Trustee Mike WD5EFY is a voting member of the Executive Committee when discussing repeater/technical issues.

Thanks to everyone for stepping up and volunteering to run our Club.

Please congratulate these folks and thank them for stepping up next time you see them.

Welcome aboard to new member AI N6VQO!

AI N6VQO and Patricia K5HER are members of the Military Affiliate Radio System (MARS) System.

They would be happy to answer any questions you might have on the Army MARS program.

NOTE: Mike WD5EFY, our Trustee, is working on the end of year inventory as specified in our Bylaws. **Please get with Mike ASAP if you have Club property** in your possession.

The membership voted at the November meeting to establish a threshold amount of \$75 value for items to be included in the inventory and gave Mike discretion to include or exclude items near that threshold.

The long term goal is to have all Club property that is not in use to be stored at Mike's location. We need to consolidate all items from the old armory and fire station at Mike's location.

Antenna Party/Burgers on the grill:

We have scheduled an antenna party at Roger's K0YY location to install an inverted L antenna for 80 meters. Several folks have already volunteered their assistance but we wanted to offer this to anyone that might want to gain some experience installing HF antennas. We will also add some ground radials to a multi-band HF vertical.

Tentative dates depending on weather—**December 1st with alternate December 8th.**

Burgers will be provided, we will discuss a pot luck style meal as we continue planning. **Bring your own lawn chair.** Let Roger know if you are coming at K0YY@ARRL.NET

A personal thank you to all the members who assisted in running the Club, who assisted with the Club's special projects during 2018, or who presented a special topic at a Club meeting.

There were many folks who stepped up to keep our Club running including Mike WD5EFY, Megan KB5MEG, Patricia K5HER, Steve G KB8QWN, Jerry B KC5JWB, Gary KI5LR, Steve KG5ODZ, RM K5AGE, Andy KE5EXX, Steve J KE5CJE, Randy N5CRW, Tim KG5YNA, Jonathan KF5RGL, Patrick W5DVG, and Greg KG5NRO. Hopefully I haven't missed anyone, but my apologies ahead of time if I did. Thank you for your service to the Club.

See you on December 20th at 6 PM at the Golden Corral for our Club Christmas Party. Remember to bring a wrapped gag gift of no more than \$5 value. Bring some cash to bid on the silent auction items. There will be some real goodies available.

73,

Roger K0YY, President
