This is _____, your net control operator for this week's Deep East Texas Amateur Radio Club net. My name is _____.

Deep East Texas Amateur Radio Club's meeting is on the 4th Thursday of each month at 7 PM, in the Carpenter's Way Baptist Church located at 400 North John Redditt Drive Lufkin

Texas. This net is scheduled to be called each Tuesday at 8 pm for the purposes of:

- ***Serving the public***
- ***Training operators***
- ***Testing equipment for emergency communications***
- ***Exchanging ideas and information***
- ***Anything else for the good of DETARC or Amateur Radio in general.***

- This is a directed net. All Amateur Radio Operators licensed for this frequency are cordially invited to check in.

DETARC, ARES, RACES, and Skywarn members are encouraged to participate.

(break to reset repeater time)

Does anyone have any EMERGENCY or PRIORITY traffic? If so, please call Net Control now.

If there is traffic, handle traffic according to procedure.

If no traffic is heard after about 10 seconds or so, proceed calling the net.

This is _____, your DETARC Net Control operator calling for regular check-ins. Please speak slowly and clearly, give your call sign and first name only and wait for Net control will acknowledge your check in before the next checking. Please call Net Control now.

Take check-ins and handle them accordingly.

Once the list of check-in is process call for Late check-in.

Are there anymore check-ins to the DETARC weekly net? Please call _____, Net Control now.

Once the list of check-ins is processed make one last call for check-ins.

One last call for check-ins or recheck, please call _____, Net Control now.

Handle any last minute check-ins or rechecks. Repeat "last call" again.

After hearing no other check-ins or rechecks, quickly count the number of check ins, close the net as follows.

Hearing nothing else, I will close the net and say thanks to all operators who have taken time to participate. Including Net Control, we had _____ check ins and/or re-checks. Please remember that the DETARC Weekly Net is scheduled to meet again next Tuesday, on this repeater, at 8:00 local time. This net is now closed at _____ PM and this repeater is returned to normal Amateur use.

Good evening and 73 to all. This is _____ clear.
